Education

Maine College of Art – Portland, ME 2012 - Present Ceramics Major

- Learned how to fire gas, soda, raku and electric kilns
- Glaze Chemistry: Mixed own glazes and clay bodies to work with in the studio
- While at MECA, courses taken, Computer and Art Design courses, Woodworking 101, Studio Art courses, Graphic Art Workshop

Sanford High School – Sanford, ME 2008 - 2012

- 3.0 GPA, Perfect Attendance

Two-Year Program: Graphic Arts, 2010–2012

Sanford Regional Technical Center – Sanford, ME

Photography, Graphic Design, and Photoshop/InDesign

- Learned about composition and a sense of design
- How to screen print t-shirts

Professional Experience

Maine College Of Art – Student Affairs Assistant – Portland, ME June 2014 – August 2014

- Designer and Project leader of Mail-Me Project: The Mail-Me Project is the first art assignment given to incoming students. They are given a theme and they have to create a piece that will fit within an 8in by 8in square and mail it to MECA.
- Curator of Mail-Me installation
- Organizer of Incoming student data: T-shirt size, preferred foods and pronouns
- Misc. office Duties: Paper shredding, poster hanging

Volunteer Experiences

MECA Orientation leader 2013-2015

- Helped incoming students through the school, moved them in, did icebreakers
- Prepared the school for the students arrival: activity supplies, put up signs, installed Mail-Me project
- Assisted teachers in their First-Year Lab class
